C&G Logistics Solutions Ltd

Company Brief

2009

"Even if you have the best designers and the best products, if you can't get them delivered on time, you're not going to make a dime"

C&G LOGISTICS SOLUTIONS L.T.D

Company Overview

- C&G logistics solutions established in August 2005
- C&G is a leading consulting boutique, providing comprehensive and innovative solutions in the management of supply chains and logistics, for major Israeli and international clients in a wide spectrum of industries.
- C&G goes beyond consulting to provide on-site implementation that ensures optimization of supply chain performance.
- One Stop Shop Supply Chain ("Boutique")

Mission & Vision

- C&G mission is to enable our clients to fully leverage their supply chain opportunities. We seek to solve the full spectrum of their supply chain needs and to become their sole supply chain partner.
- We are dedicated to achieving tangible results for our clients by combining strategic and tactical thinking with practical solutions.
- Our Core Values:
  - Integrity
  - Simplicity
  - Innovation
  - Creativity
- Our Commitments:
  - To streamline processes within the client and with its business partners
  - To enhance client infrastructure to enable business growth
  - To improve communication and data flow between different business functions
  - To benefit our clients' business performance

Consulting services

- C&G is a leader in helping clients to maximize the strategic value of their global supply chains. We focus on helping you obtain the business results you seek.
  Our expertise enables us to perform a speedy assessment of your supply chain network and to propose solutions that reduce costs and improve profitability. Our unique methodologies ensure a successful supply chain consulting solution.

- We address the entire supply chain spectrum, including:
